DISCLAIMER: This program is subject to change

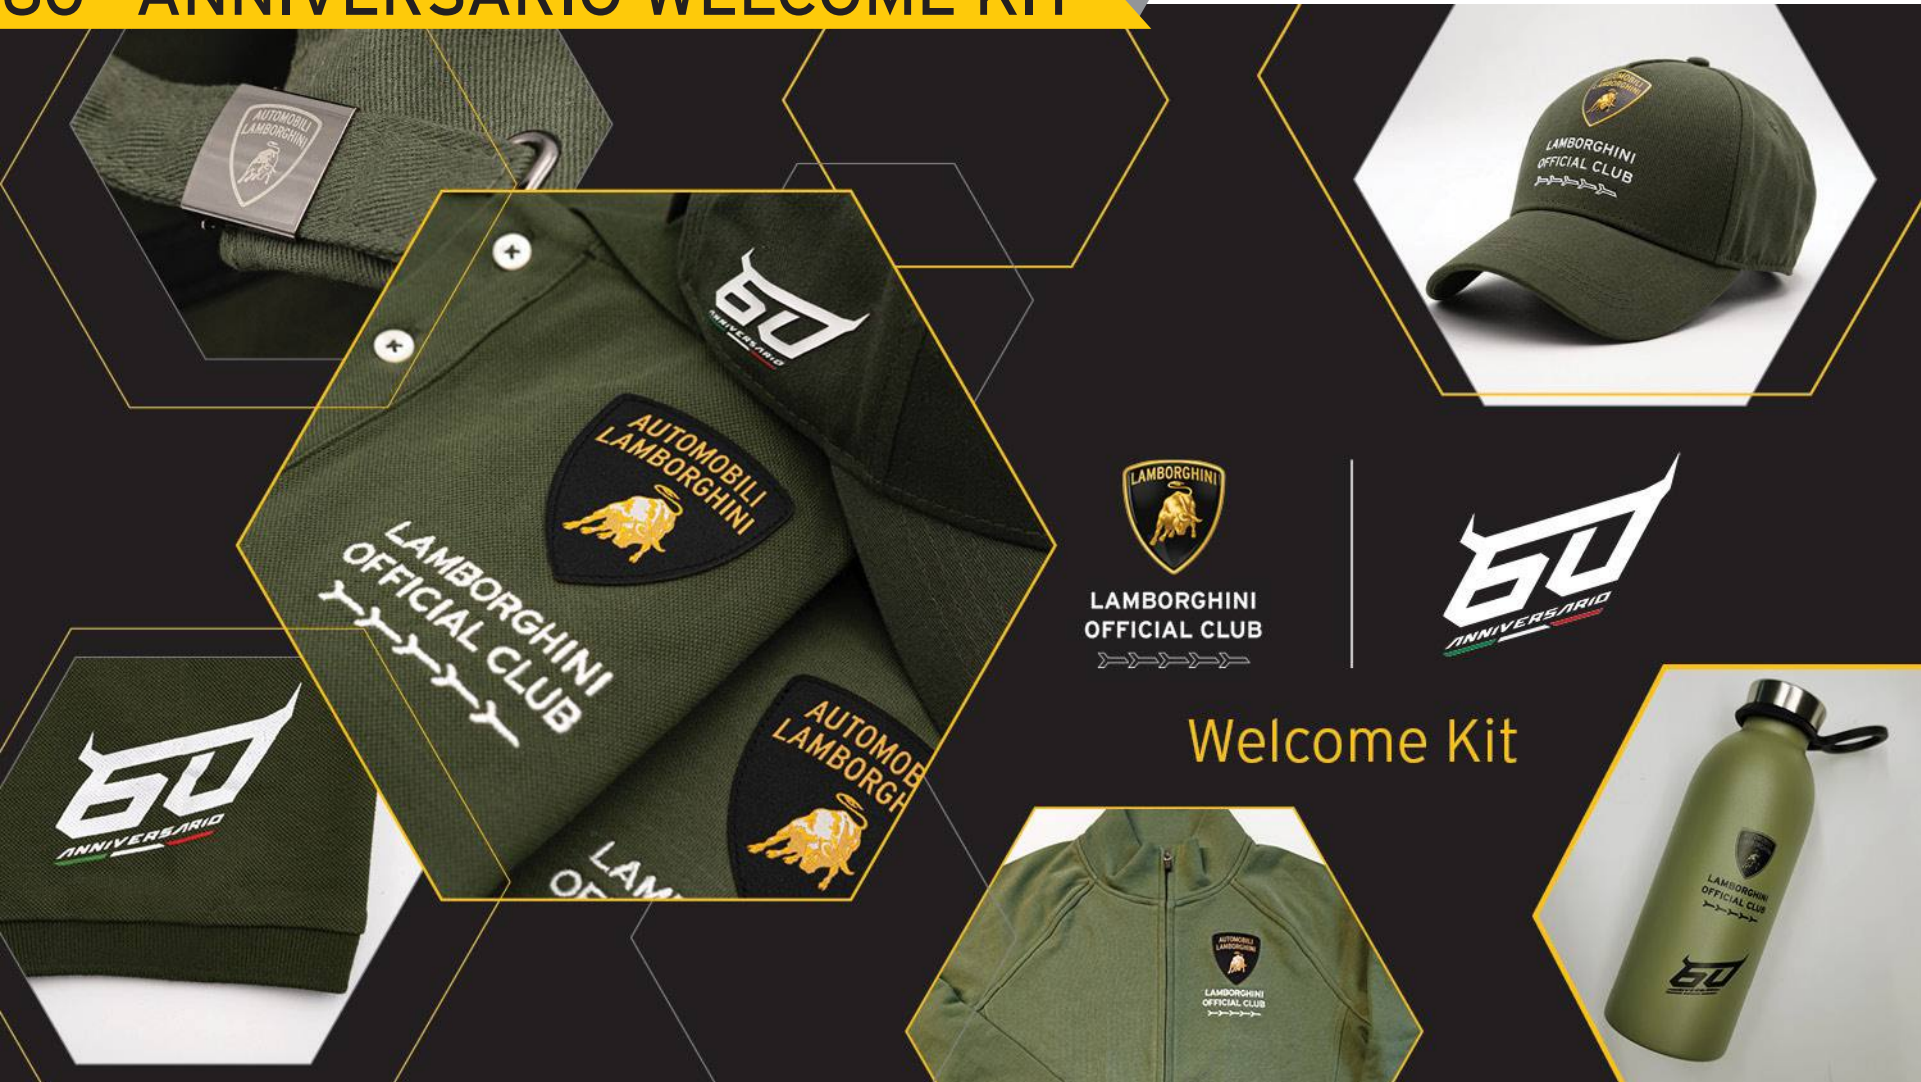

# 60° ANNIVERSARIO WELCOME KIT

(Driver and co-driver)

Welcome Kit

## HOW THE TOUR WILL BE MANAGED

Accurate logistics (radio connection, reserved parking, roads mapping) and a highly qualified staff guarantee high standards of safety and reliability.

Staying in the very finest hotels, dining at Italy's most renowned restaurants, and assisted by a staff of highly qualified professionals.

You will receive complete assistance throughout the tour (the tour director, an expert pilot, will lead the way during the tour allowing guests to maximize the driving pleasure, avoiding the stress of using a road map or a navigation system).

## WE WILL SUPPLY

- Collection of registrations via paper form or directly online (data shared with the Club of course);
- Management during the event (Secretariat present on site + Tour Director, scout car, motorcycle, and other support cars/motorcycles, support numbers and staff depending on the numbers of the participants);
- Mapping scenic roads, providing a unique experience, offering breathtaking panoramas and ensuring maximum confidence;
- Possible preparation to divide the convoy into different gaits if cars with different gaits participate in the event (for example, historic and modern cars);
- All the 'behind the scenes' services are taken care using support cars to assist the group in all eventualities throughout the day, in order to ensure total safety and maximum driving pleasure during the tours.
